I NEED A WIFE TO SAVE MY DAUGHTER. SHE NEEDS MY MAGIC. I loved her like a sister forever ago. Before life served us tragedy with a bitter cherry on top. Before I learned love isn't a damn fairy tale. Before I became a single dad. Protecting my little girl is all I still care about. Kendra is my lifeline if she'll just play along. Her job is easy. Wear my ring. Turn my scowl into a family man's smile. Help save my daughter from a scorched earth custody fight. She gets the Cinderella treatment in return. My money, my mansion, my reputation. I'll put the glass slippers she's slaving over on main street and bend the world to her designer genius. Simple. Painless. Mutual. If only she was the shy thing I remembered, and I wasn't the same red-blooded maniac who wanted her under me years ago. My wall of ice isn't working like it should. Not when we trade barbs that make me throb. Not when I grab her hair. Not when I can't decide if I want to push her away, or drink those lips in an unending kiss. Complicated. Messy. Cruel. That's our crazy truth. This madness ends one way: Cinderella undone, or me in stitches. This book may cause frantic overheating and an ugly cry or two. Complete full length standalone romance novel. Alpha male abundance. Happily Ever After like a rainbow at the end of the storm. Find out why Wall Street Journal bestselling author Nicole Snow makes readers swoon!

friend's older brother since she was a young girl and has had a crush on Knox for as long as she can remember. Even after the time he spent in the military they were close, but something changed after a business trip to the African diamond mines. Once he returned and intentionally drove a wedge between them, she's done her best to ignore Knox, only seeing him when she's at Jamie's home and Knox comes to pick up his daughter, Lizzie. But when Knox's business partner and Lizzie's grandfather threatens to take Lizzie from Knox, he goes to Kendra for help. He'll help Kendra make the connections she needs to get her designs into the fashion world if she'll act as his fiancée so he doesn't lose Lizzie. The advance copy I read of this book is my first work by this author and I absolutely loved it! Wow! I'm so glad I found Ms. Snow! Not only are the characters amazingly real, deep, multidimensional and beautifully flawed, but this book is an engrossing story with a few surprises, some steamy chemistry between the two main characters but full of emotion and heart, and sprinkled with bits of pure poetry. Add in an adorable child, colorful secondary characters, a nice amount of suspense and bad guys you'll love hating and you have a specular reading experience. This is an excellent book, and I will definitely be reading more from this author!! See all 288 customer reviews...
