About the Author J. A. Jance is the New York Times bestselling author of the J. P. Beaumont series, the Joanna Brady series, the Ali Reynolds series, and five interrelated thrillers about the Walker family, as well as a volume of poetry. Born in South Dakota and brought up in Bisbee, Arizona, Jance lives with her husband in Seattle, Washington, and Tucson, Arizona.

Customer Reviews Most helpful customer reviews 0 of 0 people found the following review helpful. Pure Seattle By Judy If you ever lived in Seattle this book will transport you back. J.A. Jance paints vivid word pictures of familiar places and situations, like rush hour on the freeway heading from downtown to East of Lake WASHINGTON. We even used to take our St. Bernard to be boarded at a place similar to the kennel and training center where Beau discovers Rambo is really Lucy. Reading about the exploits of Jonas Beaumont and Mel seemed like catching up with family after a long

separation. Like always in books by J.A. Jance, the characters are well developed and the plot moves along so efficiently that one is saddened to have the story end. 0 of 0 people found the following review helpful. Bravo J.A. Jance! By Johanna M. Dillard Bravo J.A.! J.P. is my favorite and I waited impatiently for Proof of Life. Had me hooked from the beginning, and all through the ride! The characters old and new come alive and make me want more. I highly recommend this book whether you have read the series or not. And Seattle, what's not to love? 0 of 0 people found the following review helpful. GOOD MYSTERY BUT DISAPPOINTING By Leah I said this because a lot of the first half of this book was repeats. If you have not read any other Beaumont books this will not bother you. THE mystery only came in here and there. I figure by the ending this series will continue, but in a different direction.
