Customer Reviews Most helpful customer reviews 0 of 0 people found the following review helpful. Have to find out By KooserFugate I gave it 5 stars because it is a required text for my next semester of RN school. I have not actually read the book 0 of 0 people found the following review helpful. Worth the buy. By Tulsi Patel This book came in early, perfectly packaged, and BRAND NEW. It says "very good" condition but it was 100% perfect, without even one crease. So happy with what I got for the low price I got it for. 0 of 0 people found the following review helpful. USED BOOK TURNS

OUT TO BE NEW! By silvia OMG! When I bought this book it said "used-acceptable", but really the book was BRAND NEW! In package and all! Awesome purchase! Thanks! See all 26 customer reviews...
