The only thing you cannot plan in life is when and who to fall in love with . . . Raghu likes to show that there is nothing remarkable about his life loving, middleclass parents, an elder brother he looks up to, and plans to study in an IIT. And that s how he wants things to seem normal. Deep down, however, the guilt of letting his closest friend drown in the school s swimming pool gnaws at him. And even as he punishes himself by hiding from the world and shying away from love and friendship, he feels drawn to the fascinating Brahmi a girl quite like him, yet so different. No matter how hard Raghu tries, he begins to care . . . Then life throws him into the deep end and he has to face his worst fears. Will love be strong enough to pull him out? The Boy Who Loved, first of a two-part romance, is warm and dark, edgy and quirky, wonderfully realistic and dangerously unreal.

[The Boy Who Loved](#) By Ayushi Richhariya This one is another masterpiece of Durjoy. I loved the book! [The Boy Who Loved](#) The characters are so real, Raghu, his orthodox parents, his loving brother, Brahmi.. they are all so good! I just finished the book & the ending..Brahmi's letter made me cry. Raghu and Brahmi's love story is real, like we all have in high school. They met, fell in love, suffered with each other, wanted to live with each other but damn Brahmi's death! And Anirban's death too.. I mean as a reader i was so connected with Raghu's character, everything happening with him was affecting me. This is what Durjoy's books do to you i guess! It's not just a love story, it's more. The stubborn and orthodox parents, glimpse of Indian history (this shows how much reading and research Durjoy has done., that nostalgic feeling of late nineties, love story of a Hindu-Muslim, a girl who's been through alot and at last she found love. And the boy who loved and lived! I hope he lives in the second part too! [The Boy Who Loved](#) I loved the book! Definitely worth reading.
