I thought he was a player...how could I have possibly known what he really was?-Rosa With those searing whiskey eyes, chiseled face, and cocky attitude it was pretty obvious he was a player. Ordinarily, I would have been able to resist him, but it was my best friend's wedding, and I'd had a lot of alcohol, so I thought, what the hell. At the very least he'd have the skills, and judging by that huge swell in his pants, the equipment to give a bridesmaid a good time. Of course, we used a condom, actually, a few, but one month later I'm sitting on my bathroom floor looking at five pregnancy sticks all lined up. Each one telling me the same thing: Girl, you're pregnant. Clearly, he won't want to know, being a player and everything, but my best friend says telling him is the right thing to do. Looks like I'll have to go to Italy to give him the bad news. Dante I wasn't asleep when she woke up that morning and crept out of my hotel room. For the first time in my life I didn't want a hook-up to leave, but that made me more determined than ever not to see her again. I liked my carefree life too much. I left England and flew to Monte Carlo. The big plan was to hit the casinos and lose myself in other women, but I got back to Italy and simply couldn't forget her. A month later out of the blue, she swans back into my life to drop her bombshell. I let her slip away once. I won't again. This time I'm doing the unthinkable. I'm going to limit myself to just one woman. I'll show her I can be the perfect daddy. This woman and the baby in her belly are going nowhere. -This is full length standalone romance with a guaranteed happily ever after. Includes Bonus content.

Touching, sweet, sexy romance with a bit of danger By SLF I was hooked and kept on the line from the beginning to the end of this book. I adored Rosa. She was a wonderful, strong woman except when it came to Dante. Dante was a cocky playboy but changes a month after Rosa meets him and becomes a really great guy. The sex was hot and they had some touching and sweet moments between them. Dante took really good care of Rosa which put a smile on my face. There was some evil that they had to deal with but they managed to survive and get to their HEA. I've read a few other Georgia Le Carre books and loved them and I am happy she hasn't lost her touch. 0 of 0 people found the following review helpful. 5 HOT HEIR STARS!! By Rhonda 5 HOT HEIR STARS!!
