He taught me to kill. Murder is in my blood now. It runs through my veins and though I hide the monster I see in the mirror with ink, it doesn't keep him from coming out. My street name is Mercy, but I never show any. Except for her. I watch Becca, though she doesn't know. She saved me a long time ago; the day my father killed my mother. Her bravery turned her into a target. My father holds a grudge and knife with the same proficiency, and Becca is the focus of his hatred. And I'm the only monster who can save her.

It's a dark and delicious. Becca and Nix meet as kids during a chance encounter. But never forget one another. Becca has no idea that years ago she saved him. She was only a little girl, but one small gesture changed the course of their lives forever. She always wondered what happened to the little boy, with the mean father, she saw in the grocery store. Nix had an abusive father and it shaped who he became. But he was bad in a good way. He avenged and saved the innocent and eradicated the rest! He's been watching over Becca her whole life, protecting her from the evil that is his father. He loves her. He does anything he can to not be like his father. He even goes so far as to change his appearance by tattooing his entire body. He wants no connection or reminder of that evil man. Opportunity arises and Nix and Becca meet. Nix keeps his secrets but it can't seem to stop their attraction to one another or their destiny. But the past comes back and tests their bond. Nix, although this story is dark, his loyalty to those he loves is undeniable. I absolutely loved him. Such an amazing story. Not without its heartbreak, but beautiful. Enjoy this twisted tale. It will stay with you. 0 of 0 people found the following review helpful. Dear Meecy..My heart ... By Nicole M. Lopez Victoria It's been a few days now and I still can't get Nix and Becca out of my head or my heart. Sometimes characters just crawl into your heart, latch on and make a home there. My heart broke for Nix, for the broken but he was. And it soared for every soul burning moment. But even the broken love. And sometimes they love the hardest and the fiercest and the sweetest. And sometimes they get that love right back. The weak becomes the strong. The broken become whole. And sometimes the family you are born too aren't really your family at all. I am in love with every broken piece of Nix. And every strength of Becca. Grab the tissue, a glass of wine and snuggle in with a blanket and this book because Mercy will grab your heart and it won't let go!! 0 of 0 people found the following review helpful. Nix you transcend the page and have made a home in my mind, heart and soul... By Keljowright This is the 1st book of Debra Anastasia's I have read, but based on the way this book and the characters crept into my mind and soul, you better believe it will not be the last. Nix latched onto my heart in the first chapter and my utter love and infatuation just got stronger and stronger with every captivating page. Nix and Becca's characters are dynamic, complex and the bond they share transcend the story and get in your bones. I read this book a few days ago and Nix has dominated my heart, mind, thoughts and dreams! If I could give this book 100 stars I would, but since 5 is the most, I give it 5 shining gold stars !
