Sometimes, love is just an illusion. Sometimes, it becomes the sole purpose of your life. While stories on social media were trending, Raghu was lost in books. For him, even the idea of falling in love was limited to books-until he met Ruhi. As their love plays out against the backdrop of the upcoming student elections, Raghu finds himself embroiled in a mess he cannot seem to get out of. When his closest friends hatch a plan to rescue him, it only puts him in further jeopardy. Will his love sail through or will it get swept away by the storm of campus politics? Set in this elaborate sociopolitical milieu, Sudeep's new book explores the dark side of relationships, the pursuit of power and the hypocrisy of the powerful.
