Rule #1: No hot guys. It might sound ridiculous. I get it. It kind of was, but college was supposed to be my sanctuary. It was my place to start over. The rumors, the whispers, and the jealousy I endured through high school would all be gone. No one would know me at college. Rule #2: No drama. I'd major in pre-law. I'd make a few loyal friends. Everything would be easy-breezy. No one was going to use me or hurt me. I wouldn't let them. Rule #3: New year. New place. New me. Right? Wrong. And all because of Shay Coleman. Football captain and quarterback, he was the big guy on campus. The cocky guy in my political science class with a smirk. I hated him on sight and he was about to break all my rules. Hate To Love You is a full-length standalone. There are elements that deal with the dark side of college.

Review "Shay Coleman will steal your heart and make you HATE that thistoe-curling, hot chocolate of a book ever had to end! Addictive and edgy as all things Tijan, it will touch and smolder every part of you!" -- Katy Evans, New York Times Bestselling author "Shay Coleman defines the heart-melting alpha hero. A gorgeously sexy, emotional and compelling romance that will having you laughing, crying and swooning." -- Helena Hunting, New York Times Bestselling author About the Author Tijan didn't start writing till later in life. She's hoping she's doing it right, and if not, she'll continue to keep trying! She is the NYT, USA Today and Wall Street Journal best selling author of various romances in different genres, which include series and stand alones. She has an English Cocker that she absolutely adores, a man she couldn't be without, and this insatiable need to keep writing the words, all the words!

helpful. There's NO chance you'll hate to love Shay & Kennedy. By Jen Zingaro (Dirty Bad Bloggers)
This book really hit the spot for me. College romances are one of my favorite genres and it's been awhile since I've read a good one. This book had some angst. If you love enemies to lovers genre of books, then this will be for you. There is so much to this story that gets revealed at a really good pace and I didn't lose interest at all. There are so many interesting characters in this book besides the main ones. I will tell you this. You will fall in love with Shay Coleman. He is the ultimate book boyfriend. Kennedy is a no BS kind of heroine and I found her completely refreshing. She's not one to pull punches or take crap from anyone. And these two together are amazing! <3 0 of 0 people found the following review helpful. but not great. The character's relation develops very quickly and I ... By Jennifer J. Ringkob As an avid romance novel reader with decades of experience, I found this story OK, but not great. The character's relation develops very quickly and I wanted to feel more spark. I also wanted to feel vested in the characters and that fell flat for me. I will admit to skimming through some of the pages. I will admit that it addresses serious issues on college campuses such as rape and violence mixed in with the so called unpopular girl getting the star football player. I would have liked to see Gage's character more developed as well. 0 of 0 people found the following review helpful. A Great freaking BOOK!! By Erika Jackson Once I started reading this book I couldn't put it down for nothing! This book is different from any other books I have read and I love it. Great work Tijan!!!!!!
