The conclusion to the story begun in the USA Today Bestselling Dirty Filthy Rich Men. I've discovered Donovan Kincaid's secret. It's dirty and filthy and rich - as dirty and filthy and rich as he is - and it haunts me as much as he ever did. Even after knowing what I know now, I still want to talk to him, to touch him. But there's an ocean between us, and I'm not sure it can be crossed with something as easy as a phone call or a plane ride. Yet I'm willing to try. He doesn't know this yet, but this time I'm the one with the power. And maybe - just maybe - if the air were cleared and all our secrets bared, there could still be a chance for us. And this dirty, filthy thing between us might end up being love after all.

Dirty Filthy Perfect for Each Other By Lightning City Book Reviews "Dirty Filthy Rich Love" lives up to it's name. The sex scenes are "filthy" in the best ways. And the Love is "dirty" in a messy perfect for each other way. "Dirty Filthy Rich Love" is the second half of the Dirty Filthy Rich duet. In this installment Donovan and Sabrina are reunited and must delineate, define, and secure their fledgling romance. Donovan and Sabrina realize that their brand of Love isn't typical or easily defined. For Sabrina she must come to grips with way Donovan expresses his love. She also must reconcile how she deals with how the attempted rape, in her youth, still haunts her. The manner of how she deals with her nightmares and fears is unusual. However Donovan understands her and gets her needs. Much of "Dirty Filthy Rich Love" is Sabrina reconciling how she feels about Donovan's "brand of Love". It's intense, invasive, and possessive. Donovan is extremely vulnerable in this second half of their story. The reader sees the family environment that formed Donovan and created the man he is today. Also the man who attempted to rape Sabrina during university is not just a memory anymore. Sabrina runs into a relative of his at a social event. The biggest reveal is just how involved Donovan was in Sabrina's past. Laurelin Paige produces a thrilling, carnal, and complex romance. By April Read&SBR The wait is finaaaaaaally over! Laurelin Paige returns with the finale of the Dirty Duet with a gut wrenching, no holds bar intensity that shreds the heart and soul within the pages of Dirty Filthy Rich Love. A love story so compelling and beyond addictive, you certainly won't forget Donovan Kincaid anytime soon! I mean how could anyone forget a primitive alpha, the alpha of all alphas. Gah! I heart him! I truly do. Picking up where Dirty Filthy Rich Men left us hanging in a fit of OMFG's, Laurelin Paige quickly thrusts the reader back into the angsty emotional whiplash and darkness that consumes the world of Kincaid and Lind, everything that I loved about the first book. The secrets, lies, and deceit follow the puppet master; always. 'I'd just invited the devil out to play.' 'Because he knew me. He knew what I needed.' I'm not sure what I had been expecting to happen long term, other than a HEA, as I went into the book, but the journey was most definitely an adventure filled with growth and many set backs along the way that propelled the story full force- in only a way that Laurelin Paige can. Her voice is one of a kind, addictive, and talented AF! *bows down* This is a story of two broken individuals who are so freaking perfect for each other that it almost hurts to write this *sigh* This is their painstakingly and beautifully, well deserved...tortured to the end, ending. 0 of 0 people found the following review helpful. Complicated Love By Melanie M Sabrina and Donovan's relationship is complicated, twisted, challenging and filthy. A huge secret is revealed that sends Sabrina reeling. Coping with the emotions evoked is difficult and yet try as she might she can't walk away from Donovan. When it all becomes too much for her because one final secret comes to light, Sabrina runs from Donovan for what may be the final time. She's not sure she can get back from his deception. Unfortunately a nightmare from her past show up and her life is in danger. Donovan saves her and she realizes the depth of his love for her. She can no longer walk away and she goes all in. Meanwhile Weston's soon-to-be marriage of convenience seems to be turning into something more. We also briefly meet the rest of the Reach Inc. partners. Interesting characters who will hopefully end up with books of their own. Donovan is one of the best characters I've met in a long time. He's infuriating, arrogant, enigmatic, demanding, complicated and oh so sexy. Sabrina is smart, driven and excels in her business life yet her demons have haunted her for 10 years making her deeply insecure in her personal life. Together their push-pull love is compelling and enthralling. See all 185 customer reviews...
