Review "...this rich tapestry of Chinese medical practice and philosophy does offer a unique illumination of a divine subject." Reviewed by Jim Young on behalf of glycosmedia.com, Aug 2015

About the Author Giovanni Maciocia is one of the most highly-regarded and respected authors and lecturers in the West. He is Visiting Associate Professor at the Nanjing University of Traditional Chinese Medicine and has many years of experience in teaching and practice. Giovanni trained initially in the UK and then in China, learned Chinese to be able to study from original Chinese texts, and was one of the first practitioners and authors to introduce Chinese medicine in a clear and accessible way to a Western student audience. Giovanni Maciocia has written other best-selling books under the Elsevier Churchill Livingstone imprint - The Practice of Chinese Medicine: The Treatment of Diseases with Acupuncture and Chinese Herbs, 2e (ISBN 978-0443074905), Diagnosis

in Chinese Medicine: A Comprehensive Guide, 1e (ISBN 9780443064487), The Channels of Acupuncture: Clinical Use of the Secondary Channels and Eight Extraordinary Vessels, 1e (ISBN 9780443074912), The Psyche in Chinese Medicine: Treatment of Emotional and Mental Disharmonies with Acupuncture and Chinese Herbs, 1e (ISBN 9780702029882), and Obstetrics and Gynecology in Chinese Medicine, 2e (ISBN 9780443104220).

Customer Reviews Most helpful customer reviews 2 of 2 people found the following review helpful. I really love this book By Maxwell I really love this book. It has everything you need for the beginner to the advanced. Great for boards, clinic and as a reference book! Namaste' 0 of 0 people found the following review helpful. I love this book By Amazon customer I love this book. I bought this 5 years out of school. I WISH we had used this book for my classes. Clear, concise, easy to understand. The pattern of the chapters are repetitive but I think this is good! Very pleased. Wished I had bought it sooner 1 of 1 people found the following review helpful. nice colors that divide sections By Jaim major improvement in layout from other editions-better type, nice colors that divide sections. Pricey, but glad I got it to study for Boards. I don't necessarily agree with all, and annoyed that Boards are TCM that are open to interpretation. That being said--a must for licensing until such time as revamping back towards Classics. See all 28 customer reviews...
